

INVITATION

We have the honour to invite you to attend the 12th International Workshop of Electromagnetic Compatibility **CEM 2020** organized by the National Institute for Research and Development in Electrical Engineering INC DIE ICPE-CA, Bucharest, Romania, in partnership with the University „POLITEHNICA” of Bucharest, Romanian EMC Association.

WORKSHOP TOPICS

The workshop will address the following topics and other related issues:

- Electromagnetic compatibility in the fields of electronics, communications systems, transport systems, industrial systems;
- Power quality;
- Biocompatibility;
- The effects of human exposure to electromagnetic fields;
- Electromagnetic non-destructive evaluation;
- Materials for electromagnetic compatibility;
- Wireless power transfer;
- Shields;
- Electronic packaging;
- Standardization issues.

The **CEM 2020 PROGRAMME** will consist of contributed papers (structured in oral or poster sessions) on sections and invited papers. The presentations should not exceed 15 minutes (contributed papers), respectively 30 minutes (invited papers), discussions included. The official language of the workshop is English and, consequently, all the papers must be written in English.

Abstracts will be published in the abstract book, indexed ISBN.

The papers will be published in the journals „Revue Roumaine des Sciences Techniques, Série Électrotechnique et Énergétique”, “Advances in Electrical and Computer Engineering”, following a selection process.

LOCATION

Sinaia, also called "Pearl of the Carpathians", is one of the most loved mountain resorts in Romania and the most visited in the Prahova Valley. In winter, it is the ideal place for winter sports, while in summer you can go hiking through forest, bike trips or, for the more adventurous, mountaineering and off road adventures. In addition, regardless of the season, the resort so steeped in history is waiting for you to discover its treasures - Peleșul (summer residence for the first King Hohenzollern of Romania, Carol I), Pelisor, Sinaia Monastery, Stirbey Castle are just some of the most emblematic places.
